

Pre-dosed ingredients

- mermaid tears
- golden beetle juice
- fossil sun shards
- perlimpimpim powder

Utensil

- tube

Recipe

1. Prepare your tube and your ingredients.
2. Put the perlimpimpim power at the bottom of the tube to create a flat layer
3. Gently pour the golden beetle juice on top, carefuly to avoid destroying the perlimpimpim powder layer.
4. Gently add your mermaid tears with fossil sun shards and watch the magic happens !
